- Provide work equipment that is both safe for use and maintained in accordance with manufacturer’s requirements.
- Provide sufficient information, instruction, training and supervision to enable staff to avoid hazards and ill health
- Ensure on going and effective consultation and communication to enable all staff, visitors and contractors to avoid hazards and contribute towards a positive safety culture within the Group.
- Undertake health surveillance, as and when required.
- Provide adequate arrangements for welfare and first aid facilities at work.
- Introduce a positive safety culture where employees are empowered to raise concerns and suggestions relating to health and safety performance.

We require our employees, and those working on our behalf, to:

- Take reasonable care of their own health and safety and their individual OH&S obligations, and that of others who may be affected by their acts or omissions while at work.

- ▀ Not interfere with, misuse or willfully damage anything provided in the interest of health and safety.
- ▀ Refuse to work if they believe health and safety will be compromised.

To ensure that this policy is effective, we will:

- ▀ Review to ensure that the policy remains relevant and appropriate to our organisational activities. This is structured to take place annually or where significant changes occur.
- ▀ Communicate any resulting changes to employees and others affected.
- ▀ Monitor safety performance through effective on-going monitoring and measuring.

Whilst the Managing Director takes responsibility for monitoring the effectiveness of this policy and driving the company to achieve continual improvement in health and safety performance, the successful implementation of this policy requires total commitment from all employees of the business.

Signed on behalf of Churchill Contract Services Group Holdings Ltd
